New Board Director

Nussir ASA is happy to announce that Francis Johnstone was elected for Nussir's board of Directors.

Francis Johnstone is an Investment Adviser to Baker Steel Resources Trust Ltd, a London Stock Exchange Listed investment company specialising in developing mining companies. Having trained in corporate finance and M&A at Citibank he has over 25 years of experience in the mining industry, both as an executive of listed companies which have successfully developed mines and as a non-executive director of both listed and unlisted mining companies.

Nussir ASA welcomes Francis to the team.
